Hey Ed. If I don't get a response on these dep dates today I have to just send you a subpoena for the 27th. Please advise. Also, any objections Mr. Cybulski has to the document subpoena are due tomorrow. Please email them to me since no one is in the office.

Ed:

Thanks for the call today. January 20-22 or January 27 would all be good dates for Mr. Cybulski's deposition. Please advise at your very earliest convenience if these work for you and your client.

With respect to the document subpoena, please provide written responses and objections by the December 22 deadline. If you client has responsive documents, we discuss any objections you might assert or, in the absence of objections, discuss a workable production schedule. Don't hesitate to call with any questions, or if you would like to discuss.

Thanks,

A
